

# IPL Points Table, Orange Cap, Purple Cap After RCB vs GT Match 14 - IPL 2025

The **IPL 2025** season has been full of thrilling encounters, and the match between **Royal Challengers Bangalore (RCB)** and **Gujarat Titans (GT)** was no exception. However, what caught everyone's attention was **Rajat Patidar's** bold statement after RCB's disappointing loss, where he openly blamed **Virat Kohli** and other batters for the defeat.

## RCB's Struggles Against GT – What Went Wrong?

RCB came into this match with high hopes, looking to dominate against **Gujarat Titans**. However, things didn't go as planned, and a poor batting display led to their downfall. Despite having a strong lineup, RCB failed to chase a gettable target, leading to frustration among fans and players.

After the match, **Rajat Patidar** was vocal about his disappointment, stating:

*"Shouldn't have lost... We had the match in our hands, but the top-order batters, including **Virat Kohli**, did not step up when needed. This loss hurts."*

His comments immediately sparked debates among fans and analysts, as it is rare for a teammate to directly hold senior players accountable.

## A Look at RCB's Batting Collapse

RCB's batting unit, which included experienced players like **Virat Kohli**, **Faf du Plessis**, and **Glenn Maxwell**, failed to build a solid foundation. Here's a breakdown of how RCB's batters performed:

- **Virat Kohli** – Started well but fell at a crucial moment, putting pressure on the middle order.
- **Faf du Plessis** – Struggled against Gujarat's disciplined bowling and couldn't convert his start into a big score.
- **Glenn Maxwell** – Yet another disappointing outing, failing to contribute when the team needed him the most.
- **Rajat Patidar** – One of the few batters who showed some intent but lacked support from the other end.

The team's inability to stitch partnerships led to their downfall, allowing GT to seize control of the game.

## Did Virat Kohli Fail to Deliver in a Key Moment?

While **Virat Kohli** has been RCB's most reliable batter for years, this match exposed his struggles under pressure. Fans and critics pointed out that Kohli needed to stay longer at the crease to anchor the chase. His early dismissal put added responsibility on an already fragile middle order.

Even though **Kohli** is known for his ability to chase big totals, this time, he couldn't steer the team to victory, leaving many wondering if RCB is too dependent on him.

## Rajat Patidar's Bold Criticism – Was He Right?

**Rajat Patidar's** comments about his teammates, especially **Virat Kohli**, came as a surprise to many. While his frustration is understandable, blaming specific individuals publicly can create unwanted tension in the dressing room.

However, from a cricketing perspective, Patidar's statement isn't entirely wrong. RCB had the game under control but let it slip due to poor shot selection and lack of partnerships. As a result, questions are being raised about the team's ability to handle pressure situations.

## Gujarat Titans' Brilliant Bowling Performance

While RCB's batting collapse was the major talking point, credit must be given to **Gujarat Titans** for their exceptional bowling display. Key performers included:

- **Mohammed Shami** – His early breakthroughs set the tone for GT's dominance.
- **Rashid Khan** – Once again proved why he is a match-winner with his tight spells and crucial wickets.
- **Noor Ahmad** – Youngster who stepped up and troubled RCB's middle order.

GT's bowlers executed their plans perfectly, making life difficult for RCB batters and ultimately securing a well-deserved win.

## Fan Reactions and Social Media Buzz

As expected, **Rajat Patidar's** statement caused a stir among cricket fans. Social media platforms were flooded with reactions, with some supporting his boldness while others criticized him for targeting teammates publicly.

### Notable Reactions:

- **A Twitter user wrote:** *"Patidar is right! RCB has been making the same mistakes for years, and they need to be called out."*
- **Another fan commented:** *"Not a great move to blame Kohli. Cricket is a team game, and everyone is responsible for the loss."*
- **Former cricketer Michael Vaughan tweeted:** *"RCB's struggles continue... same story, different year. They need more than just individual brilliance to win the title."*

## What's Next for RCB?

RCB will need to bounce back quickly if they want to stay in contention for the **IPL 2025** playoffs. Some key areas they need to focus on include:

- **Better shot selection and partnerships in the middle overs.**
- **More responsibility from senior players like Kohli and Maxwell.**
- **Improving their approach against quality spin bowling.**

## Will Patidar's Statement Affect Team Morale?

While **Rajat Patidar's** comments may have sparked controversy, they could also serve as a wake-up call for the team. Sometimes, honest criticism helps a team regroup and perform better in upcoming matches.

## Final Thoughts – Can RCB Turn Things Around?

RCB's loss against **Gujarat Titans** is a major setback, but it's not the end of the road. If their senior players, including **Virat Kohli**, take responsibility and perform under pressure, they still have a chance to turn their **IPL 2025** campaign around.

As the tournament progresses, all eyes will be on how RCB responds to this defeat. Will they learn from their mistakes, or will their struggles continue? Only time will tell.
